

Privacy policy

When using the site's services, information about you is collected. Some of the information identifies you personally, ie in your name and address, products and services you have purchased, and the means of payment used by you. This is the information you knowingly provide, for example when you sign up for services on the site. Some of the information does not identify you personally and is not stored together with your details. This is statistical and cumulative information. For example, the pages you viewed, the offers and services that interested you, the web address (IP) from which you applied and more.

Registration for services

To the extent that personal details are required when registering for services on the site or when purchasing products on them, the company will only ask you for the information directly necessary for the provision of the services or for the purchase of the products.

The database

The data collected will be stored in the WIX database and under its responsibility.

The use of information

The use of the information collected will be made only in accordance with this privacy policy or in accordance with the provisions of any law, in order to -

Allow to use various services on the site. •

Improve and enrich the services and content offered on the site. •

Modify or cancel existing services and content. •

For the purpose of purchasing products and services on the site - including publishing • information and content.

The information that will be used by the company will mainly be statistical information, which is not personally identifiable.

Direct e-mail

The company is interested in sending you from time to time by e-mail information about its services as well as marketing and advertising information. Such information will only be sent to you if you have given your express consent, and at any time you can revoke your consent and cease receiving it. The company will not give your personal information to advertisers. However, it may transmit statistical information about the activity of users of the site. Transmitted statistical information will not personally identify you.

Providing information to a third party

The company will not pass on to third parties your personal details and information collected about your activity on the site except in the cases listed below:

In the event of a legal dispute between you and the company that will require the • disclosure of your details;

If you perform on the Site, actions that are against the law; •

If a teacher order is obtained to provide your details or information about you to a third • party;

Cookies

The company's website uses (cookies) for the purpose of their regular and proper operation, including to collect statistics about the use of the website, to verify details, to adjust the website to your personal preferences and for information security purposes.

Modern browsers include the option to avoid accepting cookies. If you do not know how to do this, check the help file of the browser you are using.

Data Security

The company implements up-to-date information security systems and procedures on the site. While these systems and procedures reduce the risks of unauthorized intrusion, they do not provide complete security. Therefore, the Company does not warrant that its services will be completely immune from unauthorized access to the information stored therein.

Right to review information

According to the Protection of Privacy Law, 5741-1981, every person is entitled to review the information held on him in a database. In addition, if the information in the Company's databases is used for the purpose of contacting you personally, you are entitled under the Protection of Privacy Law, 5741-1981, to demand in writing that the information relating to you be deleted from the database.

In any case where material changes are made to this policy in the instructions regarding the use of personal information that you have provided, a notice will be published on the home page of the website.
